

ECO BEAUTY

— WEAVE YOUR DEARMS —

Floor Coverings—Rolls

Our woven vinyl products are a new innovation featuring outstanding performance and unlimited styling options. Our products can be used for both residential and commercial areas.

Our residential products ranges from floor covering, wall covering, carpet, door mat, placement, etc. While our commercial products can be used in kids area, hospitals, offices, hotels, exclusive boutiques and exhibition spaces.

PVC Backing for Rolls

The product structure is fabric layer, fiberglass mesh and PVC layer. This innovation has lower cost and feel comfortable underfoot .

Special Backing for Rolls

We developed a new special backing for the rolls. The product structure is fabric layer, fiberglass mesh, PVC, and new non-woven material layer. This innovation can reduce noise, feel more comfortable underfoot, more importantly, the size is more stable than the ordinary PVC backing, and is not easy to shrink.
